

## GREAT NORTHERN EXCHANGE

The *Great Northern Exchange* is a free service for GNRHS members wishing to buy, sell, donate or exchange Great Northern Railway related items, its predecessor companies or companies of the GN/BN mergers. It's also a place to request of members needed information and resource material. Requests may be edited and are limited to space available. Your items for the March 2018 Goat must be postmarked by January 15th to ensure publication in that issue. Send exchange items to Ed Stankard, Managing Editor, 9006 Westbrooke Dr., Overland Park, KS 66212. Or email [goateditor@gmail.com](mailto:goateditor@gmail.com).

**Close Out** – Our error in printing too many copies of *The Rusty Dusty, Great Northern's Wenatchee-Oroville Branch* by GNRHS members, Mac McCulloch and John Langlot, presents you a one-time opportunity to purchase the book, which includes 395 pages, 70 maps, and 103 photographs at the low, low price of \$25 plus shipping.

The book places W-O line in the context of predecessor Washington rail lines and transportation ventures. Kevin P. Keefe in *Classic Trains* said, "This book sets a standard for railroading at the granular level, a deluxe, beautifully produced history of a single branch line. It manages to gather in all of railroading's essential elements..."

Go to our website ([www.therustydusty.com](http://www.therustydusty.com)). Use code GNRHS at checkout to get special price. We cannot guarantee that we will offer the book after January 31, 2018.
